OPEN | HPI Hasso Plattner Institut

Confirmation of Participation (Project completed)

Cvqtko Kirilov
cvqtkokirilov@gmail.com

has participated in the following openHPI workshop:

Java Capstone Series Pt.1
by Thomas Staubitz and Ralf Teusner

The two weeks workshop covered the following topics:

- Introduction to Version Control with Git
- Introduction to Software Design Patterns
- Introduction to Java GUIs

Project (Peer Assessment):

The participant has successfully completed a Java project in which the discussed topics had to be practically applied and implemented.

Prof. Dr. Christoph Meinel
Head of openHPI

Thomas Staubitz
Course instructor

Ralf Teusner
Course instructor
